VIPRide.com **Fact Sheet**

VIPRide.com: Headquartered in Scottsdale, Arizona (USA), **VIPRide.com** is the largest ground travel organization in America.

Founder: Sean Sarram is founder and CEO of the organization that offers ground travel services to the corporate and recreational travel sectors around the globe. The company was founded by Sarram, who was a software engineer prior to beginning the firm.

Ground Travel: Ground travel includes everything from town cars and limos to mini-coaches, motor trolleys and buses. It involves trips to and from airports to hotels, meeting and other destinations in cities where business travelers need to go. Ground travel also includes leisure and vacation destination trips.

VIPRide.com Ground Travel Fleet: Through its affiliate network of more than 700 sites across the U.S., **VIPRide.com**'s fleet has 10,000-plus vehicles to meet every corporate or organizational travel need.

Pegasus: Designed by Company Founder Sean Sarram, Pegasus is **VIPRide.com**'s proprietary affiliate management software that can grow to manage more than 100,000 global affiliates and more than 1 million vehicles. Recognized as the industry's ultimate ground travel affiliate management and quality control software program, Pegasus is a web-based, SQL database system, which means it can be used any place and can be accessed by anyone in the system at anytime.

- more -

In addition to keeping **VIPRide.com** in touch with its affiliates around the globe, *Pegasus* also manages the company's affiliate and driver certification and quality control programs that track customer satisfaction, individual assignments, licensing, insurance coverages and other details for **VIPRide.com** and its affiliates and customers everywhere. Pegasus even stores photos of each vehicle in the entire **VIPRide.com** 10,000-plus vehicle fleet, inside and out, so customers know the actual vehicle they will use.

24/7 Emergency Dispatch: **VIPRide.com** provides corporate ground travel departments and leisure travel customers with an emergency dispatch center, 24 hours, seven days a week, including holidays. And, Pegasus provides corporate travel departments real time confirmation and ride receipts and a customized client invoicing and management/user reporting and travel profiles.

Affiliate Selection, Management And Quality Control Certification: **VIPRide.com** only selects hands-on affiliates who excel in taking pride in the service they offer. The company's Quality Control Certification Program also includes "Secret Shopper" surprise visits to affiliates.

VIPRide.com Guarantee: Considered by many to be the best in the country, the **VIPRide.com** Guarantee means that if a client's traveling experience is less than satisfactory, **VIPRide.com** will not only "comp" that episode, but as a gesture of goodwill, they will offer a second ground travel ride at a reduced fee.

The Preferred Ground Travel: **VIPRide.com** is the preferred ground travel company for Expedia.com, Orbitz, Hotels.com, Hotwire.com and Cheaptickets.com. Corporate clients include Mellon Bank, Chase Bank, MTV, American Idol, American Express and many more

For More Information on how **VIPRide.com can help meet your company or organization's ground travel needs, contact them at www.VIPRide.com or call their nationwide reservation line at 877-474-4847 # 311, FAX: 480-422-4396.**
